

Terms and Conditions of joining (Please Sign)

- You must be between 18 and 75 years old to join this Online Business Opportunity.
- You must have a computer or a lap top, or even a good cell phone or tablet, with Internet access.
- You must take out at least one of our Products and also purchase the Work-From-Home Manual (Be sure to take a Product with a monthly debit order which you can afford.)

The Work from Home Manual:

Please understand that The SA-Solution Work-from-Home Manual contains step-by-step information that is literally worth many thousands of Rands (if you apply it).

- The Four Phases Of Online Wealth Creation are explained in detail and you will be taken through each Phase, step-by-step;
- This information will teach you how to run your own successful Online SA-Solution Home-based Business, while working from home, for about an hour per day, on your computer.
- It covers everything which you must know to be a SA-Solution Team Member.
- It will teach you how it's possible to make hundreds and even thousands of Rands online, automatically, and to also have it paid into your bank account as Instant Cash! This is very, very Powerful!
- It also gives you, as a Member, your Secret Password which will enable you to sign up and log into your own free and Automated Personal Website with full membership access;
- It also teaches you exactly what you need to do to in order to grow your Online Business.
- This highly valuable information on The SA-Solution Work-from-Home System is contained in The Manual and it is available nowhere else!
- The Manual is available only to SA-Solution Members, so if you like all these benefits and wish to learn these methods, you must become a SA-Solution Member.
- The Work-from-Home Manual is an eBook, which can easily be copied, in a matter of seconds, on any computer and for this reason cannot be bought and returned to be refunded again (this is known as stealing!). Our System belongs to our members only. For this reason it is only available to people who are serious in learning The Four Phases Of Online Wealth Creation and who really want to join our Team and Work From Home.

I have read and do understand.
